

Hazelbury Primary School

Latest News

Friday 14th February 2020

The pupils have enjoyed another wonderful half term at Hazelbury. We have improved even further the facilities for our children with some exciting new additions to the school. The children have been enjoying these- see below for details! Today is my final day and I will now be on maternity leave until the next academic year (2020-21). As previously informed, Melanie Bowman will be the Headteacher in my absence. We have been advised that following the half term the council are making improvements to the roads outside of the school. Please be mindful of congestion during the time period that these works will be taking place. I wish everyone a happy and restful half term and I look forward to hearing about the continued success at Hazelbury!

Laura Pearce- Headteacher

Our New Early Years Library!

As part of our commitment to promoting the love of reading our Little Berries Nursery and Reception children now have their own library. The children have been sharing books with older pupils and parents will have an opportunity to read with their children, enjoying a variety of brand new texts!

Our Edible Playground!

We have a wonderful addition to our outdoor learning facilities that Trees for Cities have provided to enable our children to learn about and grow fruit and vegetables. The space includes an outdoor classroom, planters, greenhouse and a compost heap. The children thoroughly enjoyed being introduced to the space- we'll share with you the progress as we watch our garden grow!

Year One Secret Cinema

Year 1 enjoyed a fantastic 'Secret Cinema' experience and truly had the Red Carpet treatment! The Oak Hall was transformed into a cinema and the children got to watch the recent Disney blockbuster film 'Aladdin'. The children wore their pyjamas and brought a comfy blanket. They also enjoyed eating the delicious popcorn and Pic N Mix sweets whilst watching the film!

Maths Master-class

Year 2, 4 and 5 children were delighted to challenge their knowledge and understanding in maths whilst working together with other local primary schools in maths master-class sessions. Well done everyone!

Looking After Our Minds!

As part of our commitment to wellbeing this week our children have been looking at mental health as part of national mental health awareness. The children have been learning about how they can find their bravery and how important their minds are. We

also encourage our children to look after their wellbeing with regular mindfulness and yoga sessions at school.

Sailing Down the Thames

As part of their Learning Quest 'How has London Evolved?' Fleet class had the opportunity to take a river-boat cruise along the river Thames. They saw different landmarks and learnt how London has changed over time!

Our Real Life Heroes

This half term Reception have been learning about real life heroes and have had the opportunity

to meet and visit places where people are making a difference. Nurses, who showed the children how they care for people, visited the children. Pupils also visited the local fire station so that they could gain a greater understanding of the role of the fire service. They then enjoyed creatively learning about the people that help us- role playing as firemen and using their artistic skills to paint their own fire engine!

Tate Modern Adventure

Our Year 4 students were excited to visit Tate Britain to see their portraits that were taken last year as part of Steve McQueen's project featuring Year 3 class photos from around London. They are proudly displayed in the central London museum and feature all five of the classes in that year group!

Year Four Physical Theatre Show

Well done to our Year 4 children who performed a physical theatre show to pupils and parents this week. The show was based around Viking myths, which built on their learning quest. They performed fantastically and everyone enjoyed the show- well done Year 4!

Our Learning in the Little Berries

Nursery children came in dressed up as their favourite superheroes as part of their learning quest, 'What Makes a Hero?' They got to discuss who their favourite superheroes are and take part in creative activities throughout the day! As part of their

learning quest, 'What Can I Play With?' our Terrific Twos children also shared their favourite toys and spoke to the class about them during a show & tell!

Safer Internet Day

We understand the importance of online safety, therefore this week our children have been exploring how they can work together for a better and safer internet alongside other children nationally on Safer Internet Day. Information for parents is available on our school website.

Hazelbury Sports News

Five children from KS2 recently had the opportunity to represent Hazelbury by competing in a Pentathlon arranged across the Enfield Learning Trust. The sports they participated in included Boccia and New Age Curling amongst others! The children thoroughly enjoyed themselves and were great

representatives of the school!

Ahead of the Rugby Six Nations the children were introduced to tag rugby games at lunchtimes. They were in teams representing different nations and learnt how the game is played and fixtures from the tournament!

Hazelbury Boys football team took

part in the Boys Premier League Primary Stars tournament. They played 5 games, winning 1, drawing 3 and narrowly losing 1. Well done boys- a great job!

Hazelbury Girls football team also took part in the Girls Premier League Primary Stars tournament.

They played 3 games, drawing 1 and narrowly losing 2. They showed an excellent attitude and enjoyed themselves. It was a great effort from all!

I Can Be!

Hazelbury were visited by I Can Be organisation to work with our Year 3 pupils. Girls will be given the opportunity to

visit a variety of workplaces to inspire them and dream big when it comes to their own futures.

Following this some of our Year 3 girls were inspired when they had the opportunity to meet female marketing managers whilst on their trip to central London. We are encouraging our children to beat stereotypes and be inspired by whatever careers they choose!
